WHO IS AT(SA)?

Accounting Technicians South Africa is an associate body of the South African Institute of Chartered Accountants (SAICA) dedicated to the education, development, regulation and support of accounting technicians in South Africa. Together with SAICA, AT(SA) represents confident, skilled accounting technicians who are committed and empowered to deliver and uphold the high professional standards and ethics that the profession demands. AT (SA) is registered with SAQA and all the qualifications meet both NQF and Learnership requirements.

WHY CHOOSE AT(SA) QUALIFICATION?

AT(SA) offers a diverse range of practical, accounting and finance qualifications as well as professional memberships aimed at finance and accounting staff from entry level to senior executive level. The qualification is designed to take you on a progressive pathway, from a foundational level through an advanced level of accounting knowledge, skills and competencies.

Unlike other rigid qualification and professional memberships, AT (SA) works around your time, offering you flexible modes of learning and examination. The training combines accounting theory with real-world practical experience enabling you to practically apply newly acquired skills in your own work environment.
